With THE ADVERSARY for renewed life and demonic power (traded Harmony and debt of servitude)			
Background			
<p>Father Mikael was born under a bad sign: his mother did not survive childbirth, he was abused in a Russian orphanage, adopted by an abusive family, ran away as a teen, got into drugs and a gang, Got stabbed, and was killed... or so it seemed. During his death he had a vision where a devil came to him with instruction to join the church to infiltrate an organization called "The Mission." He awoke in a dark alley, his mortal form sealing up the wound, revealing his true nature as a demon reborn.</p>			
Notes			
<p>Mikael is convinced that demon he saw upon his death was his father, the grand king of Hell. This confidence drives all his ambitions. Mikael has carefully cultivated his devoted priestly image, and refrains from manifesting unless the need is great. His manifest form is worthy of a Prince of Hell; regal, powerful and terrifying.</p>
