With THE RED MARKET for Phantom Craft (Traded influence and signed a music contract)			
Background			
<p>Albany Stone the darling of music critics and European dance clubs. Albany's music has always had otherworldly motifs and occult themes, and completely intentional. A couple of years ago Albany was approached the Red Market who offered glamorous powers in exchange for signing onto a record label. The contract is a little stifling, but it introduced Albany to an exciting new world.</p>			
Notes			
<p>Albany is an up and coming singer/musician and destined to be a pop sensation . . . or so everyone says. Manifested Albany is the living embodiment of David Bowie's Ziggy Stardust ideal. The only thing more entitled than a well-liked rock star is a magical well-liked rock star. The whole universe is Albany's oyster.</p>
